**Dong Gong**

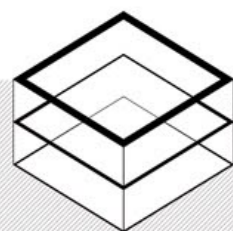

Founder & Design Principal of Vector Architects

*6.00 p.m. / STUDENTS CHECK-OUT*

ArchiDiAP continues the series of conferences dedicated to the most representative figures of the national and international architectural panorama, hosting a lecture by Dong Gong, founder and design principal of the internationally renowned studio Vector Architects.

Curated by Caterina Padoa Schioppa and promoted by the editorial staff of ArchiDiAP, the event will focus on the recent work of the studio. The audio / video recordings are coordinated by LaMA | Multimedia Architecture Laboratory.

Students participating in the event and subsequently uploading a work of their choice on the [www.archidiap.com](http://www.archidiap.com) website will be able to earn 2 CFUs.
